

Oceanic Society invites you to join us on a 4-hour whale watching charter to the Gulf of the Farallones, one of the most exciting and diverse marine environments on Earth. Included in your trip is a local wildlife expert that will provide interactive interpretation and our seasoned captains know exactly how to get the best views while respecting the wildlife. Get a group together and come witness blue and humpback whales in their summer feeding grounds off the coast of San Francisco!

### **ABOUT OCEANIC SOCIETY**

Founded in 1969, Oceanic Society is the oldest 501(c)(3) nonprofit organization dedicated to ocean conservation. Our mission is to conserve marine wildlife and habitats by deepening the connections between people and nature through research, community engagement, and first-hand experience. We pursue our mission through applied marine research, educational travel programs, and investments in conservation.

### **ABOUT OUR WHALE WATCHING PROGRAMS**

Oceanic Society is a global pioneer in whale watching and has been leading whale watching tours in the San Francisco Bay Area since 1972. Our whale watching programs aim to provide life-changing first-hand experiences for our passengers that lead to lasting pro-ocean changes in behavior. Your participation supports our ocean conservation and research efforts in the Bay Area and worldwide.
